

**INNOVATION PARK
REQUEST FOR QUALIFICATIONS
RFQ 18-04
DESIGN CRITERIA PROFESSIONAL SERVICES
COLLINS BUILDING RENOVATION**

The Leon County Research and Development Authority (“Authority”) is requesting statements of qualifications for the provision of Design Criteria Professional Services for the Collins Building Renovation in accordance with §287.055, F.S., which responses shall be due 2:00 PM (EST), August 29, 2018.

A mandatory project information meeting and walk-through of the project sites will be held at the project location, Collins Building, 2051 E. Paul Dirac Drive, Tallahassee, Florida, at 2:00PM on August 15 2018.

Once the RFQ is advertised, all communications between interested firms and the Authority shall be limited to written communications directed to the contact person below. The Board in its sole discretion may reject any or all responses when deemed in the best interest of the Authority.

The formal RFQ package may be obtained from and any inquiries are to be directed to:
