SUBJECT: RFQ 20-01 Final Firm Ranking

Thank you for your interest in RFQ 20-01 issued by the Leon County Research and Development Authority. The evaluation committee has interviewed and ranked the finalists. Once again, they noted the high quality of all of the firms interviewed. I thank all of you for the additional efforts required to go to the next step.

The firms were ranked as follows:

1. Architects Lewis and Whitlock
2. Walker Architects
3. DAG Architects

In accordance with Florida Statute, we will begin negotiation with the first ranked firm, and if we are unable to reach an agreement, we will then move on to the second ranked firm, and then to the third ranked team if necessary.

The committee member scoring and ranking information will be made available on the website in a few days. Videos from the interviews will be posted following the posting of the "Intent to Award" after contract negotiations have concluded.

Thanks once again for all of your efforts throughout this process.

Regards,
Ron Miller
