

Sponsorship Opportunities for the 2018 TechGrant Elevator Pitch Night

Sponsorships play a vital role in the growth of the entrepreneurial ecosystem. Funding and access to key players can help turn an idea into the next big thing, which is why Innovation Park's TechGrant is so important. At each step of the competition, applicants are exposed to leaders in the technology, research, and financial industries, to name just a few.

When an organization supports the TechGrant competition, it demonstrates its commitment to visionaries and innovators; bright minds that are capable of changing the world as we know it.

This year's TechGrant Pitch Night will take place on Wednesday, May 16th, from 5:30pm-7:30pm at the Goodwood Museum and Gardens Carriage House.
